Dear directors

DETERMINATION UNDER SECTION 336-1(1) OF THE *CORPORATIONS (ABORIGINAL AND TORRES STRAIT ISLANDER) ACT 2006*

You would be aware the special administration of the Bawinanga Aboriginal Corporation (ICN: 29) (the corporation), under to Division 487 of the *Corporations (Aboriginal and Torres Strait Islander) Act 2006* (the CATSI Act), ended on 30 June 2014.

You would also be aware that on 1 July 2014 the Registrar issued determinations under sections 336-1(1) and 453-5(1) of the CATSI Act which increased the corporation's reporting requirements to the Registrar and required lodgement of these reports and other documents of the corporation until such a time that he was satisfied that it was no longer necessary to do so.

I write to you to inform you that the Registrar has determined that it is no longer necessary for the corporation to continue reporting under these increased reporting requirements.

On behalf of the Registrar, I want to thank the directors (and staff) of the corporation for complying with the requirements of these determinations throughout this monitoring period.

I would also like to take this opportunity to remind the directors to visit ORIC's website and view ORIC's "*Healthy corporations checklist*". The checklist allows directors to check the corporation's compliance with their rule book and the law. It has been specifically designed to help directors to review and improve the standard of corporate governance at their corporation.

If you want to speak to anyone at our office about this, please ring Kyran Lamb or myself, using the free number 1800 622 431 (not free for mobile phones) or you can send an email to info@oric.gov.au

Yours sincerely
