- Give reasons to support this application for exemption We are requesting an extension of time for our AGM. We have already had a general meeting this year, however, we still intend to hold our normal AGM but we would like to hold it on the 12th of December 2015. We have the last of our Native Title consent determinations happening in the Federal Court on the 8th of December 2015 and would like to have this all complete prior to having the AGM so we can report in full to our members about our Native Title. This is a huge achievement for Adnyamathanha people and we believe it will really be something to come together to celebrate. All of our reporting will be completed by the 31st of December it is only an extension on the holding of the AGM we are requesting.
