Dear Directors

Extension of time for holding annual general meeting (AGM) granted

I write to you about your request to extend the period of time for the corporation to hold its 2018 AGM.

In accordance with the requirements of the CATSI Act and the corporation rulebook, the 2018 AGM was required to be held before 30 November 2018.

When making this decision I have considered that:

- the corporation met with a delegate the Registrar in 2018 where the corporation was instructed to submit an application for an exemption
- the corporation did correspond on a number of occasions with ORIC regarding the request for an extension of time prior to submitting the application for an extension.

Taking these factors into account an extension of time has been granted until the **28 February 2019**.

If you want to speak to anyone at our office about this, please ring me using the free number 1800 622 431 (not free for mobile phones). There is also a helpful website at www.oric.gov.au.

Yours sincerely

Andrew EAST
Delegate of the Registrar
