- href300From which section(s) of Chapter 5 of the CATSI Act are you applying for exemption? 201-155, S225-5
- href301Give reasons to support this application for exemption Our membership is scattered through out Australia and it is difficult to try and get a quorum together without involving NTRB. It is not likely that the NTRB will be assisting WAC to have a large meeting this financial year.It causes a burden on the Organisation's resources to try and conduct AGMs without the NTRBs assistance.The corporation has not had any business in the previous and this current financial year.As per our constitution the next Election of Directors is not due until the 2012/2013 AGM.
