Dear directors

Invitation to show cause why your corporation should not be under special administration

I am writing to tell you that I am considering putting Yinhawangka Aboriginal Corporation RNTBC (ICN 7837) (**the corporation**) under special administration under Division 487 of the *Corporations (Aboriginal and Torres Strait Islander) Act 2006 (CATSI Act)*.

If I do this, your corporation will be run by a special administrator appointed by the Registrar or his delegate. That person will have a broad range of powers over the affairs of your corporation.

Before I place the corporation under special administration the CATSI Act requires me to give the corporation an opportunity to show me why I should not take this action.

I attach a notice under section 487-10 of the CATSI Act which has been issued as a result of the recent examination of the affairs of the corporation and concerns raised with this office following the examination. The notice sets out in detail all of the matters that are of concern to me.

The notice also invites the corporation to show cause by the close of business on Friday, 3 May 2019 why it should not be placed under special administration.

If you want to speak to anyone at our office about this, please ring me using the free number 1800 622 431 (not free for mobile phones) or you can send an email to michael.strecker@oric.gov.au.

Yours sincerely

Michael Strecker
Delegate of the Registrar of Aboriginal and Torres Strait Islander Corporations
