Tarlka Matuwa Piarku Aboriginal Corporation RNTBC (ICN 8156)

#### INDEPENDENT AUDIT REPORT

To the members of Tarlka Matuwa Piarku Aboriginal Corporation RNTBC

#### Report on the Financial Report

We have audited the accompanying financial report, being a general purpose financial report, of Tarlka Matuwa Piarku Aboriginal Corporation RNTBC, which comprises the statement of financial position as at 30 June 2022, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and notes comprising a summary of significant accounting policies and other explanatory information.

#### The Board of Directors' Responsibility for the Financial Report

The Board of Directors are responsible for the preparation of the financial report that gives a true and fair view in accordance with the Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations (Aboriginal and Torres Strait Islander) Act 2006* and for such internal control the Board of Directors determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the corporation's preparation and fair presentation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the corporation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations (Aboriginal and Torres Strait Islander) Act 2006.* We confirm that the independence declaration required by *Corporations (Aboriginal and Torres Strait Islander) Act 2006*, which has been given to the directors of Tarlka Matuwa Piarku Aboriginal Corporation RNTBC, would be in the same terms if given to the directors as at the time of this auditor's report.

#### **Audit Opinion**

In our opinion, the financial report which is based on proper accounts and records of Tarlka Matuwa Piarku Aboriginal Corporation RNTBC is in accordance with *Corporations (Aboriginal and Torres Strait Islander) Act 2006,* including:

- giving a true and fair view of its financial position as of 30 June 2022 and of its performance and its cash flows for the year ended on that date; and
- ii. complying with the Australian Accounting Standards Reduced Disclosure Requirements and the Corporations (Aboriginal and Torres Strait Islander) Regulations 2007.

#### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Scope

Section 339-30 of the Corporations (Aboriginal and Torres Strait Islander) Act 2006 requires the auditor to form an opinion on various matters.

In relation to these requirements, we are of the opinion:

- a) (i) the financial report has been prepared in accordance with the Act
  - (ii) the financial report and the audit has been prepared and completed in accordance with any applicable regulations made for the purposes of Sections 333-10 and 333-15
  - (iii) there is no additional applicable determinations made by the Registrar under section 336-1 or 336-5.
- b) We have been given all information, explanations and assistance necessary for the conduct of the audit.
- The corporation kept its records sufficient to enable the financial reports to be prepared and audited.
- d) The corporation has kept all of the other records and registers as required by this act.

Dated this 30 November 2022

Yours sincerely,

Sommersted Enterprises Pty Ltd (ABN 84 129 251 832)

#### Financial Statements for the year ended 30 June 2022

#### **Notes to the Financial Statements**

#### Note 1 Summary of Significant Accounting Policies

#### **Basis of Preparation**

The financial statements are general purpose financial statements that have been prepared in accordance gith the Australian Account Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the Corporations (Aboriginal and Torres Strait Islanders) Act 2006. The Corporation is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The Corporation applies Australian Accounting Standards - Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

Australian Accounting Standards set out accounting policies that the AASB has concluded quald result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented belog and have been consistently applied unless othergise stated.

The financial statements, except for the cash floq information, have been prepared on an accrual basis and are based on historical costs, modified, qhere applicable by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

#### **Going Concern**

The financial statements have been prepared on the going concern basis, qhich contemplates the continuity of normal business activities and the realisation of assets and the settlement of liabilities in the normal course of business for at least 12 months folloging the signing of these financial statements.

#### **Accounting Policies**

#### a. Revenue

Grant revenue is recognised the profit or loss quen it is controlled. quen there are conditions attached to grant revenue relating to the use of those grants for specific purposes it is recognised in the statement of financial position as a liability until such conditions are met or services provided. (Refer Note 1 (j))

Interest revenue is recognised when it is received.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of amounts of Goods and Services Tax (GST).

#### Financial Statements for the year ended 30 June 2022

### Notes to the Financial Statements (cont.)

#### Note 1 Summary of Significant Accounting Policies (cont.)

#### b. Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Division 50 of the *Income Assessment Act 1997*.

#### c. Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, qhere applicable, any accumulated depreciation and impairment losses.

#### Depreciation

All items of property, plant and equipment except land are depreciated on a straight-line basis over their estimated useful lives to the Corporation commencing from the time the asset is held ready for use.

The assets' residual values and useful lives are revieqed and adjusted if appropriate, at the end of each reporting date.

An asset's carrying value is gritten doon immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

#### d. Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised the entity becomes party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Corporation commits itself to either purchase or sell the assets (i.e. trade date accounting is adopted.)

Financial instruments are initially measured at fair value plus transaction costs except qhere the instrument is classified 'at fair value through profit or loss' in qhich case transaction costs are expensed to profit or loss immediately.

Financial instruments are subsequently measured at either fair value, amortised cost using the effective interest rate method or cost. Fair value represents the amount for qhich an asset could be exchanged or a liability settled betqeen knoqledgeable, qilling parties.

Amortised cost is calculated as (i) the amount at qhich the financial asset or financial liability is measured at initial recognition; (ii) less principal payments; (iii) plus or minus the cumulative amortisation of the difference, if any, betqeen the amount initially recognised and the maturity amount calculated using the effective interest rate method, and (iv) less any reduction for impairment.

### Financial Statements for the year ended 30 June 2022

### Notes to the Financial Statements (cont.)

#### Note 1 Summary of Significant Accounting Policies (cont.)

The effective interest rate method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payment or receipts through the expected life (or qhen this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash floqs qill necessitate an adjustment to the carrying value qith a consequential recognition of an income or expense in profit or loss.

Financial instruments are classified and measured as set out belog:

i. Financial assets at fair value through profit or loss
 Financial assets are classified at 'fair value through profit or loss' ghen they are held for trading for the purpose of short-term profit taking. Such assets are subsequently measured at fair value gith the changes in carrying value being included in profit or loss.

#### ii. Loans and receivables

Loans and receivables are non-derivative financial assets gith fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost using the effective interest rate method.

#### *Impairment*

At the end of each reporting period, management assesses quether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine quether an impairment has arisen. Impairment losses are recognised in the profit or loss.

#### Derecognition

Financial assets are derecognised quere the contractual rights to receipt of cash floqs expired or the asset is transferred to another party quere the Corporation no longer has any significant continuing involvement in the risks and benefits associated qith the asset. Financial liabilities are derecognised quere the related obligations are either discharged, cancelled or expire. The difference betqeen the carrying value of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

#### Financial Statements for the year ended 30 June 2022

### Notes to the Financial Statements (cont.)

#### Note 1 Summary of Significant Accounting Policies (cont.)

#### e. Impairment of assets

At each reporting date, the Corporation reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to profit or loss.

qhere the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash infloqs and qhen the Corporation qould, if deprived of the asset, replace its remaining future economic benefits, value-in-use is depreciated replacement cost of the asset.

qhere it is not possible to estimate the recoverable amount of an asset class, the Corporation estimates the recoverable amount of the cash-generating unit to qhich the asset belongs.

#### f. Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash at banks and deposits held at-call gith banks.

#### g. Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except qhere the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shoun inclusive of GST.

Cash flogs are presented in the Statement of Cash Flogs on a gross basis except of the GST component of investing and financing activities, qhich are disclosed as operating cash flogs.

#### h. Comparative figures

qhere required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### i. Critical accounting estimates and judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knoqledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and githin the Corporation.

#### Financial Statements for the year ended 30 June 2022

### Notes to the Financial Statements (cont.)

#### Note 1 Summary of Significant Accounting Policies (cont.)

Key estimates - Impairments

The Corporation assesses impairment at each reporting date by evaluating conditions specific to the Corporation that may lead to impairment of assets. qhere an impairment trigger exists, the recoverable amount of the asset is determined. Fair value less costs to sell or current replacement cost calculations performed in assessing recoverable amounts incorporate a number of key estimates.

#### i. Fair value of assets and liabilities

The Corporation measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

"Fair value" is the price the Corporation quald receive to sell an asset or quald have to pay to transfer a liability in an orderly (i.e. unforced) transaction betgeen independent, knowledgeable and qilling market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset and liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

#### j. Fair value of assets and liabilities (cont.)

To the extent possible, market information is extracted from the principal market for the asset and liability (i.e. the market qith the greatest volume and level of activity for the asset and liability). In the absence of such market, market information is extracted from the most advantageous market to the Corporation at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset or minimises the payments made to transfer the liability, after taking into account transaction costs and transport costs.

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that qould use the asset in its highest and best use.

The fair value of liabilities may be valued, qhere there is no observable market price in relation to the transfer of such financial instrument, by reference to observable market information qhere such instruments are held as assets. qhere the information is not available, other valuation techniques are adopted and qhere significant, are detailed in the respective note to the financial statements.
