### Registered office address/document access address (ROA/DAA)

Large corporations must have a registered office to make sure members and others can get hold of important documents such as the corporation's rules and to make sure that people who need to can contact the corporation.

Small and medium corporations must have a document access address (DAA) which is a place where people can inspect important documents. This can be a person's home and people wanting to inspect documents have to give seven days written notice.
