Dear directors

**COMPLIANCE NOTICE UNDER SECTION 439-20 OF THE *CORPORATIONS (ABORIGINAL AND TORRES STRAIT ISLANDER) ACT 2006***

I refer to the notice issued to the corporation under section 439-20 of the *Corporations (Aboriginal and Torres Strait Islander) Act 2006* (the Act) on 15 February 2016.

I also refer to your email dated 9 June 2016 in relation to the compliance notice and acknowledge receipt of the minutes of board meeting held on 8 June 2016.

I am pleased to advise directors that as at the date of this letter the corporation and the directors of the corporation have met all the requirements of this notice and as such the monitoring period has officially concluded.

I would like to thank the directors of the corporation for their diligent efforts during this monitoring period and to wish the corporation success in the future.

I would also like to take this opportunity to remind the directors to visit ORIC's website and use ORIC's "*Healthy corporations checklist*". The checklist allows directors to check the corporation's compliance with their rule book and the law. It has been specifically designed to help directors to review and improve the standard of corporate governance at their corporation.

The checklist also contains links to important template documents (including the register of members, notices for meetings and minutes for meetings) and other forms that your corporation could put to good use. You can access the checklist by visiting [www.oric.gov.au](http://www.oric.gov.au), then select the "*resources*" tab, then on the left hand side of that page click on the link to the "*Healthy corporations checklist*".

If you want to speak to anyone at our office about this, please ring Ruth Jones using the free number 1800 622 431 (not free for mobile phones) or you can send an email to [ruth.jones@oric.gov.au](mailto:ruth.jones@oric.gov.au)

Yours sincerely
